Quality Commercial Casework	Our Specialty
<p>Grandview Manufacturing is a full service commercial casework builder. We focus on the fabrication and installation of architectural millwork for commercial builds.</p> <p>We provide added value to our customers through innovative engineering and design, and superior craftsmanship.</p> <p style="text-align: center;"><u>Services</u></p> <p>Our services include initial design consultation, CAD drawings, budgeting, project management, field measurements, and job site coordination.</p> <p style="text-align: center;"><u>High-Tech Shop</u></p> <p>Our shop includes high tech equipment and spray finish capacity. Our experienced and talented cabinet makers create superior products for any commercial application.</p> <p style="text-align: center;"><u>Delivery and Installation</u></p> <p>We deliver and install your work, and provide complete follow-up and post-sale services. Grandview Manufacturing provides <i>experienced field carpenters</i> to coordinate and install your project. We'll deliver your products on spec, on budget, and on time.</p> <p style="text-align: center;"><u>Customer Service</u></p> <p>Our most important goal is to provide excellent customer service. While quality millwork, superior construction, and attention to detail are key to our success, superior customer service keeps our customer's coming back.</p> <p>Why not contact us for a free consultation today?</p> <p style="text-align: center;">Call 555-555-1212 or Email Us Today! [link to Contact Us page]</p>	<p>Grandview Manufacturing specializes in plastic laminate casework, wood casework, wood millwork, and lab casework for the commercial, office, retail, fast food, and health care markets.</p> <p>Grandview's skilled wood carvers utilize time-honored, hand-crafted methods, handed down from generation to generation. We combine these methods with modern computer technology to produce a blend of hand craftsmanship and computer accuracy unparalleled in the custom millwork field.</p> <p>Custom-designed case parts are hand-made, while state-of-the-art machinery reduces the overall cost of fabrication. This preserves the quality and signature handwork of the craftsman while keeping your build on track and on budget.</p> <p style="text-align: center;"><u>Our History</u></p> <p>Grandview Manufacturing is a spin off company of Huff Contracting Incorporated.</p> <p>Grandview Manufacturing was incorporated in 1990 as a manufacturer of casework for commercial projects contracted by Huff Contracting.</p> <p>As our business has grown, we've added several new contractors to our list of satisfied customers.</p> <p style="text-align: center;">Knutson Construction, Lockard Development, Interior Viewpoint, LC Builders, and Barten Building Services are just a few of our valued customers.</p>
