If you're looking for a simple, easy way to increase your A/R for Medicaid billing *right now*, **keep reading to find out how to solve your Medicaid problems with one simple phone call ...**

### **Medicaid Billing is Easy and Hassle-Free with [Client] Medicaid Billing**

Medicaid billing can be frustrating, time consuming, and *cost you money!* But it's possible to cut your billing costs and increase your A/R today with a simple, easy change in your billing system.

#### **That's where I come in...**

My name is [client] and I run the most reliable independent Medicaid billing firm in the state of Texas. I have years of experience handling multiple Medicaid billing accounts. I understand the system inside and out. And I'll make your Medicaid A/R my first priority.

#### **Your personal, one-stop Medicaid billing solution ...**

My office is small enough to ensure you'll get personalized service and experienced enough to maximize your A/R from Texas Medicaid. I'm well versed in the processing of new day claims ... I'll get you a **WIN** in the denials appeals process ... and I'll keep your billing efficient and hassle-free, claim after claim.

***Your business deserves the undivided attention of a professional who will put your Medicaid billing first.***

I'll design a customized billing/tracking system for your business that's easy to understand and gets the job done right the first time. Leave your billing headaches to me so you're free to do what you do best -- help your patients!

**Call me today at (xxx) xxx-xxxx or email [email address] for a free consultation.**

Sincerely,

[Client]

Owner, [Client] Medicaid Billing, LLC
